Poetry Talk

Discovering the poets: The authors of the poesiefestival berlin start talking. From June 19 to 26, 2005, learn about the cultural, aesthetic, political and social backgrounds of their work, their working conditions and their poetics, in dialogue with other authors or chosen interlocutors. Poetry: more thrilling than a thriller.

The poesiefestival berlin takes place from June 18 to 26, 2005, with this year's focus "The Spanish-speaking world", in co-operation with the Instituto Cervantes.

The poesiefestival berlin is funded by the
